Chromebook PWA Zoom

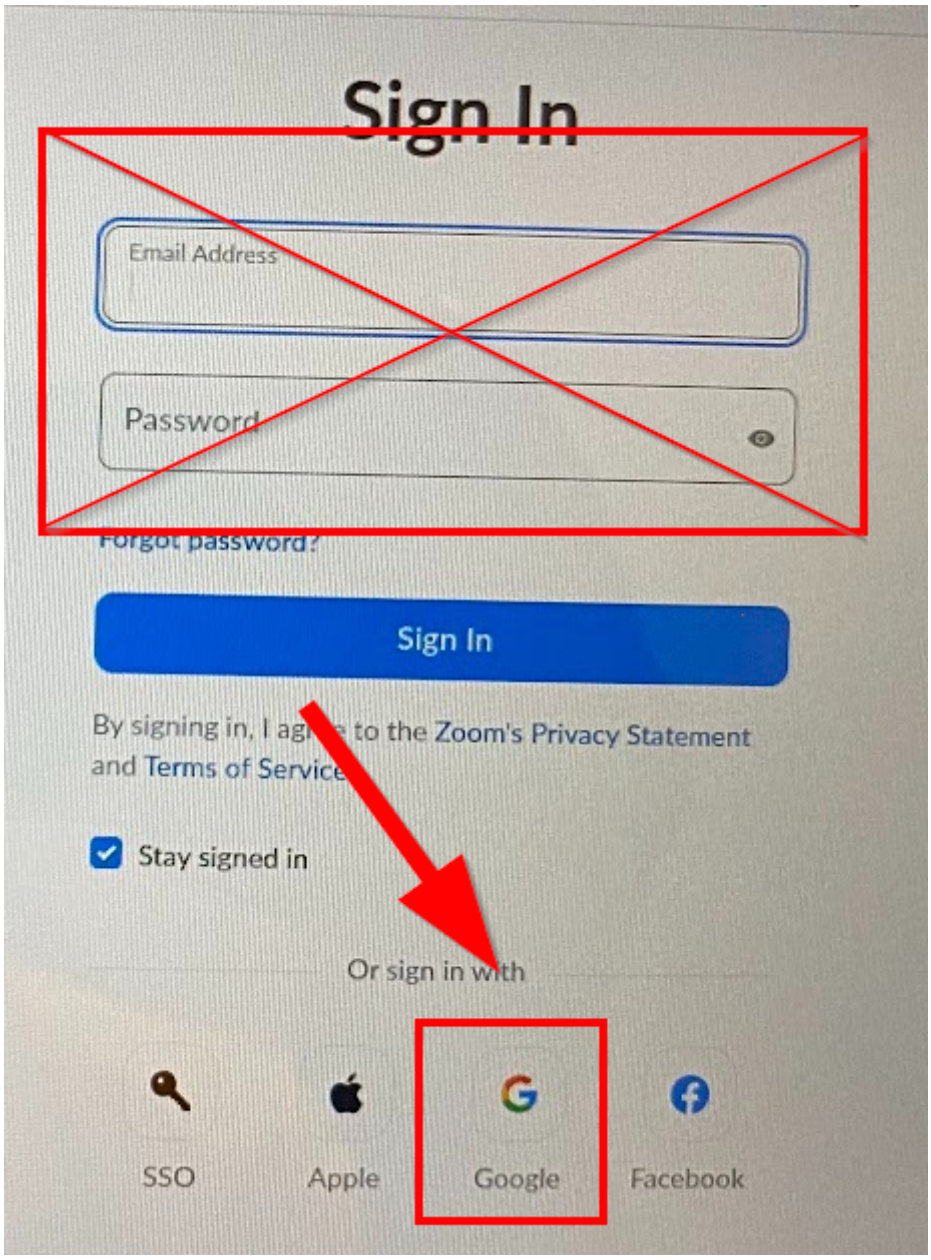

1. Once the students click on the Zoom Link they will need to Allow Microphone and Camera Access

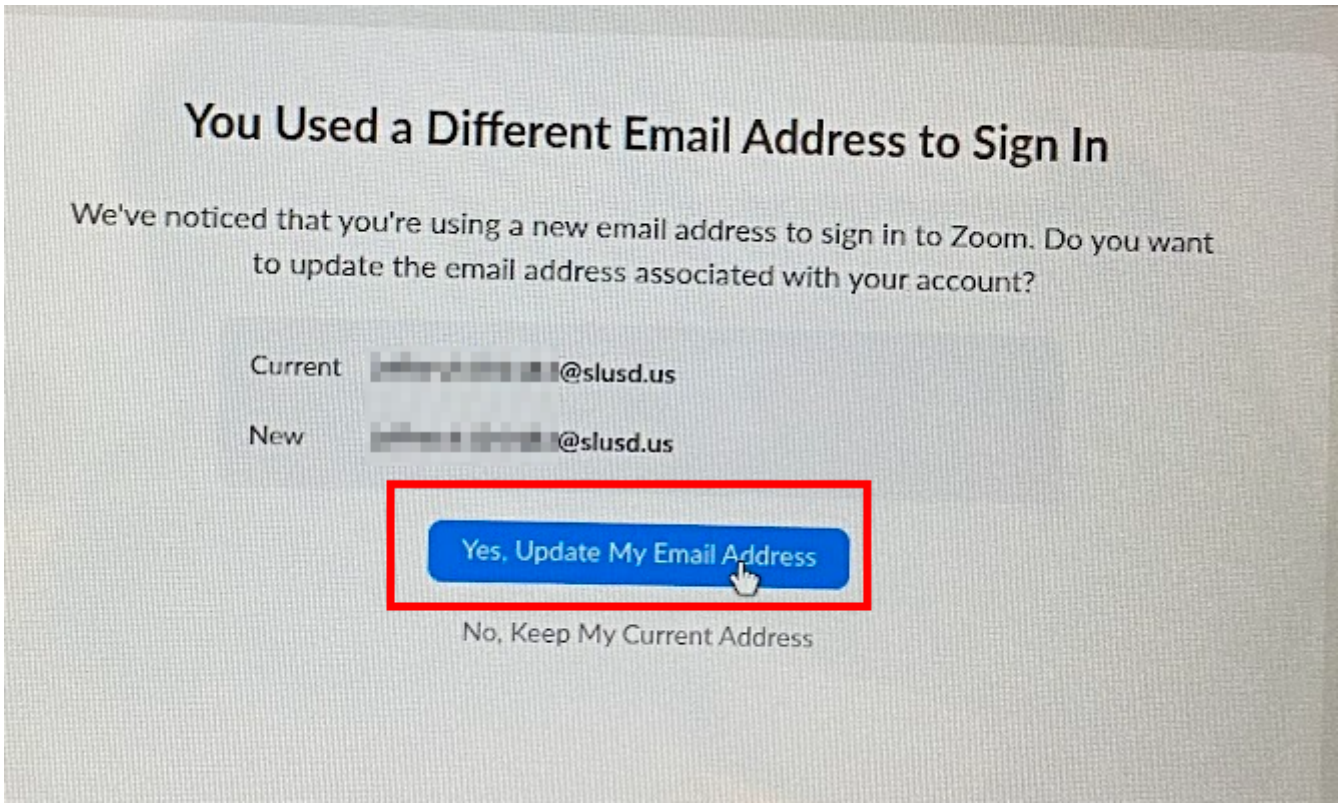

2. If prompted with "This meeting is for authorized attendees only", the students will need to click on the "sign into Zoom" link

3. Scroll down and click on the Sign in with Google button. then pick there SLUSD gmail account. Do not use the email address and password field.

4. If the next screen is "You used a different email address to Sign in", click on Yes, Update my email address

5. Student should now be able to join the Zoom.

NOTE: If the student camera and microphone are not working. Please follow these steps here https://techhelp.slusd.us/books/pwa-zoom/page/zoom-allowing-access-to-microphone-and-camera
