NEW LIBRARY/MUSIC/STUDENT UNION

(Conceptual renderings of new building at San Leandro High School)

On Tuesday, March 5, San Leandro residents voted on Measure J, a \$174 million facilities improvement bond measure, to fund critical facility upgrades & improvements for SLUSD schools. Proposed projects include:

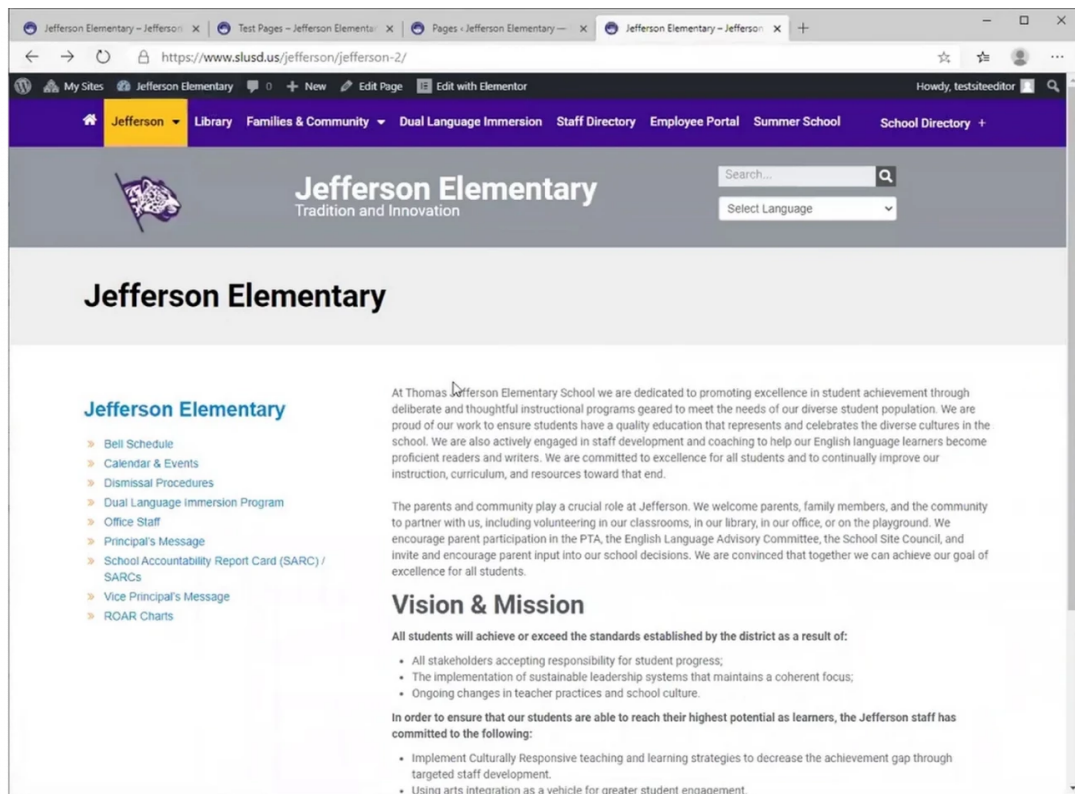

- Constructing rental housing units for teachers and staff so they can live in and be part of our community
- Renovating and modernizing classrooms and school facilities
- Constructing and equipping new classrooms and school facilities
- Making health and safety improvements, such as seismic reinforcements and removal of hazardous materials
- Replacing or repairing leaky roofs and plumbing systems
- Replacing aging wiring and electrical systems
- Ensuring accessibility to classrooms, walkways, restrooms, and playgrounds in compliance with the Americans with Disabilities Act (ADA)
- Constructing a new library, student center, and music building at San Leandro High School
- Constructing and equipping new transitional pre-kindergarten classrooms, learning spaces and playgrounds
- Upgrading classroom technology for career technical education programs in Science, Technology, Engineering, and Math (STEM)
- Replacing or repairing deteriorating sewer and gas lines
- Replacing inefficient heating, ventilation, and air-conditioning systems
