Guest sharing, or quick mirroring: myViewBoard Display

For anyone to screenshare instantly, using any network, from anywhere, by using the Chrome browser

Great for guests, substitutes, or quick one-t o-one mirroring with students

1. Open the "myViewBoard Display app" on the ViewBoard Home screen.

2. Follow the on-screen instructions to go to:

https://myviewboard.com/display/ from a Chrome browser on the mirroring device and enter the code as displayed. Select to mirror the entire screen or just an application.
(no touchback)
